# Automated voting system is easier, faster

## Ballot cards will be used in the April 5, 2018 officers election

The Soco Corporation, election specialists from Carmel, Indiana, who have done the last five elections has been contracted to provide complete election tabulating services for this April 5, 2018 election.

### How's it done?

Each voter will mark a ballot card or "sense" card. Numbers corresponding to candidate names are blacked out using a normal pencil or pen (blue or black). After the polls have been closed, the ballots will then be tabulated using a card reader that processes at a speed of about 150 cards per minute. Results are guaranteed to be accurate because there is no chance of human error in counting.

There will be separate ballot sheets for each Grievance Area. The ballot sense cards given to the voters will be pre-printed to indicate which area it is for. The card reader then knows which Executive Board and Grievance Committee numbers to tabulate.

The polling position numbers that are plant wide, are the same for all areas, and will be on all ballot sheets. Only the Area Grievance officers will be different.

As always, the Local 1010 Election Committee Tellers are completely responsible for the election. They will verify the eligibility of all candidates and check the good standing of members who vote on Election Day.

The Soco Corporation will just tabulate and certify the election results. They will also provide voter education posters, literature, privacy voting booths, ballot sheets, ballot card and customized reports. Soco has extensive experience with Union elections. Many Steelworker and Autoworker Locals have used them.

## SAMPLE BALLOT CARD

PROPER MARK ●

The ballot card consists of 16 rows of 6 numbered circles each, totaling 96 circles. A 'PROPER MARK' example shows a solid black circle. The card includes a 'FOR OFFICE USE ONLY' section at the bottom with a grid of circles, some of which are pre-marked with solid black circles.

In this example, Andrew Jackson, Aaron Burr, I.M. Literate and Joe Abacus received one vote each. And since the "office use only" box was pre-marked for Area #13, Hugh Gotacase received a vote.
