

SOAR CHAPTER 31-1 February 2026 Update

Our SOAR meeting will be held on Monday, February 10, 2026. House of Pizza should be delivered by 11:30 AM. Lunches will be served no later than 12:00 and we will start our meeting by 12:30. As always we will have a representative from USW Local 1010 Insurance there to provide new updated information on our insurance coverage. Remember if you are having a specific Insurance problem come early and bring your paperwork to the insurance dept. for individual help. Oak Partners are the scheduled speakers for this month.

If you worked in the #2/2A Bloomer 21"/28" Mills and lost something at the 25 year picnic please send me a text as to your name, number and item lost. My name is Dorine Godinez and the cell phone number to send the text to is 1-574-249-0250.

If you attended our SOAR Christmas Party and you lost a red crocheted scarf please send me a text with your name and number so we can make arrangements for you to get it back. We have a list of attendees.

In January both the annual USW Local 1010 Calendars were given out as well as a handy pocket or purse calendar so that you can easily keep it with you when scheduling appointments. We will be handing them out as well at our February meeting. Local 1010 has calendars on a regular basis for anyone who wants to stop in and pick up one.

We have several members and there families who need our prayers as some have lost family members lately and others are sick.

We will be having navy blue long sleeve SOAR T-shirts on sale soon. We anticipate they will be in no later than March and perhaps even in February the date is still to be determined at this time.

Please be very careful out there when you must drive. If not necessary stay home safe and warm. There have been entirely too many multiple car pile up accidents and cars breaking down on the roads.

We have asked our Veterans to select and provide a list of four Veteran Organizations for us to donate to throughout the year.

We still collect metal can tabs for the Ronald Mc Donald House donations. We thank all of you who have chosen to help these families at a time when they need it most in their lives.

We are still collecting clothes for the SoJourney House in Gary, IN.

Next meeting we will be collecting new purses for battered women.

We also collect new shoes for those in need.

Hope to see you at our February meeting.
