To Local 1010 Members,

It is of great importance to let you know that this terrible virus has hit our local. It is a stark reminder to all of us that we must stay vigilant in order to fight this pandemic. The future holds many uncertainties, so it is imperative that we continue to communicate and support each other through this struggle. Our work is important, but **NEVER** more important than ourselves or our families. I will continue to engage the company and fight for you and your safety. We must remember to protect ourselves in our workplaces.

In Solidarity,  
Steve
