Ernie Barrientez **Jayson Culp** **Terra Samuel** - Trustees

To All Local 1010 USW Represented Members:

We are ending the week the same as we started it with COVID-19 cases still on the rise. Indiana's Governor Holcomb on Monday issued "Stay at Home Orders" beginning March 23rd for at least 2 weeks just as JB Pritzker did for Illinois the week before. Indiana Harbor and Riverdale have both been considered "Essential Businesses" and will continue to operate during this pandemic.

In the event that you are stopped on your way to or from work just show your work badge and inform them that you work for an essential business, ArcelorMittal Steel.

Order books continued to drop off for the second straight week. Hiring has ceased for the near future. Indiana Harbor West #4 Blast Furnace is being safely blown down until necessary to restart. These employees are being repurposed to other areas. We

(Local 1010) have been informed by management that we will continue to operate at reduced operations as business conditions dictate.

Cleaning supplies are continuing to trickle in at this time but are in limited quantities. Please do not hoard these items as others need them too. If your area is short on something or you have concerns contact your area safety advocates and your local department union representatives for assistance. Union Leadership will continue to work with management to make sure they provide the safest environment while we continue working.

We will continue to provide updates via Text, Facebook and on our web page, usw1010.org.

[Check the link below for information on mail order prescriptions and telemedicine.](#)
