Local 1010 Membership,

Due to the outbreak of the COVID-19 virus, we are requesting ArcelorMittal to provide better sanitary methods for our work places! We are also communicating with the USW International regarding these cleanliness issues and other benefit issues regarding hygiene, reporting of illnesses, sick pay, and attendance.

Only time will tell what impact this Virus will have on all of us, but we are working to find ways to minimize any negative effects in our workplace caused by the COVID-19 outbreak.

As the CDC suggests, anyone feeling sick with COVID-19 Symptoms, please see a physician immediately. If your doctor recommends that you be tested for the Corona-Virus, that medical claim will be paid in accordance with our negotiated AM Insurance Benefits. If you do not have the supplies available to sanitize your work and break areas, request them from your supervisor. In all aspects, make the job safe, or don't do it. Everybody's health and safety is paramount.

In Solidarity,
Steve Wagner
President
