Once we have received all the entries, and the most recent transcript of grades, we will review and verify all criteria have been met and then draw the names of the winners. The winners will be notified in early August 2022. The checks will be payable to the institution the student will be attending in Fall, 2022. Checks for graduating high school seniors will be issued at the end of the first semester after the student has completed one college semester with at least a C+ average. **Questions?
