

UNITED STEELWORKERS TOWN HALL MEETING

The most important work we do as a union involves bargaining and enforcing contracts to secure fair wages, dependable benefits, and safe working conditions. However, whether we like it or not, workplace health and safety, wage and overtime regulations, retirement security, even our right to organize and bargain collectively, are all tied to local, state, and federal laws and the people making them.

As we move into 2020, we want to hear about the issues that matter most to you. That's why we're holding a series of town hall meetings across the district, where we'll have a conversation about your priorities and share some of our union's work to impact government decisions.

We want to hear from you! Please take a moment to fill out our USW Membership Survey.

Look on the reverse side to find a Town Hall nearest to you. Meetings are open to all USW members and retirees. An RSVP is not required to attend, but greatly appreciated. To RSVP, go to www.uswvoices.org
