To Local 1010 Members:

April 9th, 2021

Sisters and Brothers,

Now that election season has concluded, it is time to put our full attention to the matters of the membership, but first I need to thank all the members that participated on the Election Committee. Being part of the committee is a long, tiring, grueling process that was accomplished by staying focused and professional during the entire election. Thank You to all the members that made up that team lead by **Andrew Klawiter, Jason Reyes, and Patricia Humphrey!**

IHE reported 0 injuries, 0 near-miss and only 2 equipment damage cases for the previous week. Cliff's goal of attaining 0 injuries is admirable, but know this, numbers are only as good as the reporting of accidents/injuries attained when the workforce can report without the threat of discipline or retribution from management, as I hear, still occurs. Please report any of these cases. Safety and I walked 7BF Wednesday to review with the 2 individuals that were involved in a PSIF case last week to see firsthand what occurred. Safety will track corrective actions through completion.

As we slowly return to normalcy, please remember that in spite of the Governors orders of reopening the state that Cliff's policy on COVID-19 **has not changed** yet to allow members and contractors to go without the wearing of masks and social distancing. When Policy changes have been made they will announce through proper channels.

**WEEKLY REMINDER:** Call PIVOT to report positive COVID cases. The PIVOT number is **(916) 382-8770**. **If you have any COVID related issues please contact your** Department Safety/Grievance Representatives for resolution. If those issues cannot be solved at the department level, please contact the Local 1010 Safety Committee. All contacts are at this link <http://usw1010.org/safetydirectory.html>.
